

# COMMITTEE ON INSTRUCTION

## Student Appeal Form

The Barnard Committee on Instruction has carefully selected the courses designated as satisfying the College's general education requirements. Before petitioning the Committee to grant an exception and to allow a course not designated as filling one of the "Nine Ways of Knowing" to fill a GER, students are urged to consider the many course options available. Please note that students may only appeal courses they have already completed. Send the completed form and the course syllabus to the Office of the Provost, 110 Milbank Hall. The decision of the Committee is final. You will be notified of the decision by email.
