Any Specific Requests:

By filling out this form and signing below, I understand that:

- Requests will be considered in original 123 Lottery Number order. Students who participated in a process other than the 123 Lottery will be generated a random number by class year.
- The 2018-2019 academic year price for a Studio Single will be announced by the Board of Trustees in late April. The price is expected to be an increase from the 2017-2018 rate of \$16,480.
- I am encouraged to speak with my family and/or Financial Aid before submitting this form, to ensure that my budget will allow for re-assignment to a Studio Single.
- Re-assignments to Studio Singles are binding. If I am provided a room change to a Studio Single, I will forfeit my current room assignment (and it will be reassigned to another student).
- If I originally selected into multiple and/or suite during Room Selection, I am expected to inform my roommate(s) and/or suitemate(s) of my request for re-assignment to a Studio Single. I understand that Residential Life & Housing will not contact them (if I receive re-assignment to a Studio Single) until another student has been assigned to my previous room/suite.
- If I wish to cancel my request for re-assignment to a Studio Single, I must email the Residential Life & Housing and request to cancel my form before 4pm on Friday, June 22, 2018. Requests and/or room changes to Studio Singles **cannot** be cancelled after that date.
- My request will remain active until Move-In Day for continuing students (Saturday, September 1, 2018). If I do not receive re-assignment to a Studio Single by that date and still wish to be considered for a room change, I may apply for a Fall Room Change (<http://barnard.edu/reslife/roomchanges/fall>).
- If given a room change to a Studio Single, I will be contacted via my Barnard Email.
