

Barnard College Campus Hazing Transparency Report

In accordance with the Stop Campus Hazing Act, Barnard publishes its Campus Hazing Transparency Report. The Report includes a summary of findings concerning any student organization found to be in violation of the College's standards of conduct related to hazing; a general description of the violation that resulted in a finding of responsibility; and an investigation timeline for any hazing incident.

July 1, 2025 - December 19, 2025:

There were no findings of hazing behavior during this time period.

Barnard's next update will be published on June 19, 2026.
