TRY OUT OUR APP!

The myEmblemHealth app provides useful benefit and plan information, right at your fingertips. Download it today on your Apple or Android device.

When you enroll in your plan, be sure to go paperless!

- Decide which communications you want to receive electronically and how you want to be notified — via email or text.
- Access all of your communications in your secure personal message center at myEmblemHealth.

Just check the “go paperless” box on your enrollment form or let your group administrator know.* We'll send you an email with a link to register your paperless preferences.

* If you go paperless, you can always change your preferences in your settings or reach us by phone to change them for you. You may still receive some communications in the mail if warranted.
