Welcome to Barnard! Enclosed is the Academic Guide for Transfer Students 2019-2020, which includes material that will help you to prepare for your arrival on campus in the fall. The Guide is designed to introduce you to your academic life at your new college. You should read through it carefully so that you can begin to give some thought to the education ahead of you. In the Guide, you’ll find information about completing a Barnard degree, choosing academic courses, and working with advisers – and you’ll also find helpful advice from on-campus experts and former transfer students about being a part of the Barnard community.

Because no printed guide can fully capture all of the information and online resources available about the Barnard curriculum and courses, you may want to sign up for a transfer advising session with a transfer advising dean during the week of July 22, 2019. If you have questions about your transfer credits or courses to take for your first semester at Barnard, and wish to seek advice from a transfer advising dean, please indicate your availability on this form: https://forms.gle/EcBt9jVQ8NiuYryi6

You will have the opportunity to select courses for the Fall 2019 semester starting on August 20-22, 2019.

If after you have read through the Guide, you still have questions, don’t hesitate to email transfers@barnard.edu or call by phone at (212) 854-2024. Additionally, you may also join our Barnard College Transfer Students Facebook page at https://www.facebook.com/groups/2083429998562843.

We hope that reading these materials will get you excited for what’s ahead, as you prepare to continue your undergraduate studies at Barnard and New York City.

In the meantime, spend time with the important people in your lives, and enjoy the summer! See you all very soon!

Sincerely,

Christina Kuan Tsu
Senior Associate Dean of Studies
