Collaboration in support of safety on campus

When in need of assistance and unsure of where to start, contact the CARES Response Team. Other non-emergency examples:

- Noise or disruption concerns
- Questions about building hours or access
- Assistance regarding non-life threatening injury or illness
- Interest in accessing campus wellbeing support for self or others
- Share observations or report suspicious circumstances
- Assistance with after-hours facilities needs
- Concern about an on-campus experience and seeking options for resources, intervention or response
