REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Trustees of Barnard College

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of Barnard College (the "College"), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the College as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audit of the financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Entity and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the College's ability to continue as a going concern for one year after the date the financial statements are issued.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the College's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The financial responsibility supplemental schedule, as required by the U.S. Department of Education's (ED) Final Rule: Student Assistance, General Provisions, Federal Family Education Loan Program, and William D. Ford Federal Direct Loan Programs and the schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the financial statements. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements

and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report on 2023 summarized comparative information

We have previously audited the College's 2023 financial statements (not presented herein), and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 21, 2023. In our opinion, the accompanying summarized comparative information as of and for the year ended June 30, 2023 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other reporting required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 25, 2024 on our consideration of the College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the College's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the College's internal control over financial reporting and compliance.

Sant Thornton LLP

New York, New York November 25, 2024 (except as to Note 21 and the Financial Responsibility Supplemental Schedule, which is as of March 19, 2025)

NOTES TO FINANCIAL STATEMENTS

June 30, 2024 and 2023 (Dollars in thousands)

NOTE 1 - ORGANIZATION

Barnard College (the "College") is a not-for-profit independent liberal arts college for women. The College is exempt from federal income taxes under the provisions of Section 501(a) of the Internal Revenue Code ("IRC") as an organization described in Section 501(c)(3).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Net assets of the College and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions

Net assets that are not subject to donor-imposed stipulations.

Net Assets With Donor Restrictions

Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature, those restrictions will be met by actions of the College or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Revenues are reported as increases in net assets without donor restrictions unless their use is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of restrictions on net assets, that is, the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed, are reported as net assets released from restrictions.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid debt instruments with original maturities of 90 days or less other than those cash and cash equivalents held by external investment managers as part of their long-term investment strategies. Cash and cash equivalents are held by the College for operating and capital funding purposes.

Fair Value Measurements

The fair value standard defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The standard provides a consistent definition of fair value, which focuses on an exit price between market participants in an orderly transaction as prescribed by the standard. The standard also prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information and establishes a three-level hierarchy for fair value measurements, based on the transparency of information used in the valuation of the asset or liability as of the measurement date.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

Assets and liabilities measured and reported at fair value are classified and disclosed in one of the following categories:

- Level 1 Quoted prices in active markets for identical assets or liabilities. Level 1 assets and liabilities include debt and equity securities that are traded in an active exchange market, as well as U.S. Treasury securities.
- Level 2 Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Level 2 assets and liabilities include debt securities with quoted market prices that are traded less frequently than exchange-traded instruments. This category may include certain U.S. government and agency mortgage-backed securities, and corporate-debt securities.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the asset or liability. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation. This category generally includes certain private debt and equity instruments and alternative investments.

The College also measures certain investments using a net asset value ("NAV") per share for purposes of reporting the fair value of all its underlying investments which: (a) do not have a readily determinable fair value; and (b) prepare their financial statements consistent with the measurement principles of an investment company or have the attributes of an investment company. Investments meeting such criteria are exempted from categorization within the fair value hierarchy and related disclosures. Instead, the College separately discloses the information required for assets measured using the NAV practical expedient, and discloses a reconciling item between the total amount of investments categorized within the fair value hierarchy and total investments measured at fair value on the face of the financial statements.

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair values do not reflect any premium or discount that could result from offering for sale at one time an entire holding of a particular financial asset. Potential taxes and other assets that would be incurred in an actual sale or settlement are not reflected in amounts disclosed.

Investments

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value, based upon quoted market prices. Alternative investments and institutional funds are stated at estimated fair value, based on NAV, as a practical expedient, reported by the investment managers or general partners. NAV may differ significantly from the values that would have been reported had a ready market for these investments existed. The College reviews and evaluates the values provided by the investment managers or general partners and has determined that the valuation methods and assumptions used in determining the fair value of the alternative investments are reasonable.

The College invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

the near term and that such changes could materially affect the amounts reported in the statement of financial position.

All investment transactions are recorded on a trade-date basis.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost or, in the case of gifts, at fair value at the date of the gift. The College capitalizes property, plant, and equipment of \$5,000 or above which have useful lives greater than one year. Depreciation and amortization are computed on the straight-line basis over the estimated useful lives of the assets as follows:

| Buildings | 60 years |
|-----------------------------------|----------------|
| Building improvements | 20 to 30 years |
| Furniture, fixtures and equipment | 5 to 25 years |

Debt Issuance Costs

Costs incurred for the issuance of debt are deferred and amortized over the life of the outstanding debt to which they pertain. Such costs are presented in the statement of financial position as a direct deduction from the carrying amount of the long-term debt obligation.

Revenue Recognition and Receivables

In accordance with Financial Accounting Standards Board Accounting Standards Codification ("ASC") Topic 606, *Revenue from Contracts with Customers* ("ASC 606"), the College recognizes revenue when control of the promised goods or services are transferred to the College's students or outside parties in an amount that reflects the consideration the College expects to be entitled to in exchange for those goods or services. The standard outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied.

ASC 606 also requires disclosures regarding revenue recognition to ensure an understanding as to the nature, amount, timing and uncertainty of revenue and cash flows arising from contracts with customers. The College has identified student services revenue and pre-college and rental revenue as revenue categories subject to the adoption of ASC 606. The College recognizes contracts with customers as goods or services are transferred or provided in accordance with ASC 606.

Student Services Revenue

Student services revenue, net of financial aid, is recognized as revenue over the academic terms to which it relates.

Student accounts receivable are reported at the estimated net realizable amount. The carrying value of student receivables has been reduced by an appropriate allowance for credit losses, based on established payment terms, historical experience, current conditions, and reasonable and supportable forecasts, and other information, and therefore, approximates net realizable value. Student receivables are written-off when deemed uncollectible and payments subsequently received are recorded as income in the period received.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

Contributions, Grants and Contracts

The College recognizes revenue from contributions, grants and contracts in accordance with Accounting Standards Update ("ASU") 2018-08, *Not-For-Profit Entities (Topic 958)*: *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. Accordingly, the College evaluates whether a transfer of assets is (1) an exchange transaction in which a resource provider is receiving commensurate value in return for the resources transferred or (2) a contribution. If the transfer of assets is determined to be an exchange transaction, the College evaluates whether the contribution is conditional, based upon whether the agreement includes both (1) one or more barriers that must be overcome before the College is entitled to the assets transferred and promised and (2) a right of return of assets transferred or a right of release of a promisor's obligation to transfer assets.

Contributions, including unconditional promises to give (pledges), are reported as revenues in the period received or pledged. Pledges, less an allowance for uncollectible amounts, are recorded as receivables at the net present value, determined using a credit-adjusted rate. Amortization of the discount is recorded as additional contribution revenue in accordance with the donor-imposed restrictions, if any. Restricted pledges are reported as additions to the net assets with donor restrictions. Contributions of cash or other assets that must be used to acquire or construct long-lived assets are reported as net assets with donor restrictions until the assets are placed in service.

Conditional promises to give and intentions to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. As of June 30, 2024 and 2023, the College had outstanding conditional pledges of \$33.9 million and \$58.5 million, respectively. During the years ended June 30, 2024 and 2023, the College received new conditional pledges of approximately \$2.9 million and \$8.6 million, respectively. The College has recorded revenue from conditional promises of approximately \$27.5 million and \$16.7 million for the years ended June 30, 2024 and 2023, respectively, the extent to which the conditions on the pledges have been met.

Revenue from federal and state grants is recognized to the extent that qualifying reimbursable expenses have been incurred over the terms of the respective agreements.

The College discloses the pledge receivables, net for capital projects as a separate line in the accompanying statement of financial position.

Student Notes Receivable

Student notes receivable are loans to students, which are made from the College's restricted loan funds and the Federal Perkins Loan Program. The notes are reported at their estimated net realizable value.

Deferred Revenues

Deferred revenues consist primarily of student tuition and fee, pre-college and rental revenue payments that are received for academic periods subsequent to the fiscal year end.

Split-Interest Agreements

The College is the beneficiary of trusts, annuities, and pooled income funds. The College's interest in these split-interest agreements is reported as a contribution in the year received and is calculated as the difference between the fair value of the assets contributed to the College and the estimated liability to the beneficiary. This liability is computed using actuarially determined rates and is adjusted annually. The discount rate used to value split-interest agreements ranged from 0.4% to 8.2% at June 30, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

The College recorded contributions from new split-interest agreements of approximately \$0.2 million and \$0.3 million for the years ended June 30, 2024 and 2023, respectively. These amounts are included in nonoperating contributions in the accompanying statement of activities. The assets held by the College under these arrangements are included as a component of investments in the accompanying statement of financial position.

Operating and Nonoperating Activities

The statement of activities distinguishes between operating and nonoperating activities. Nonoperating activities consist of investment return in excess of or less than the amount appropriated for operations by the Board of Trustees, the change in value of split-interest agreements, contributions for long-term purposes and split-interest agreements and contributions and grants for plant improvements, postretirement cost other than net periodic benefit cost, gain on advance refunding of debt, the change in value of swaption, and nonrecurring items.

Categories of Expense

Expenses are reported in functional categories. Each category includes salaries and benefits, supplies, and other expenses, including operation and maintenance of physical plant, interest, and depreciation expense related to the function.

- a. <u>Instruction</u> includes expenses for all activities that are part of the College's instruction program.
- b. <u>Research</u> includes all expenses for governmental and privately sponsored research.
- c. <u>Public Service</u> includes activities established to provide non-instructional services such as the New York State Higher Education Opportunity Program.
- d. <u>Academic Administration</u> includes expenses incurred to provide administrative support to the instructional program. This category includes the offices of the Provost, Library, and Media Services.
- e. <u>Student Services</u> includes expenses incurred for the offices of Dean of the College, Admissions, Registrar, Financial Aid Administration, Beyond Barnard and Center for Accessibility Resources and Disability Services. In addition, it includes expenses for student-related activities outside the context of the formal instructional program.
- f. <u>Institutional Support</u> includes expenses for college-wide activities such as the offices of the President, Finance, Institutional Advancement, Administration, Administrative Computing, General Counsel, Human Resources and Communications. Fundraising expenses totaled approximately \$7.6 million and \$7.8 million for the years ended June 30, 2024 and 2023, respectively.
- g. <u>Auxiliary Enterprises</u> provides services to students for fees. This category includes Housing, Dining Services, Health and Counseling Services, and the Summer and Pre-College Programs.

Allocation of Certain Expenses

The College allocates operation and maintenance of plant, depreciation, and interest expense on outstanding long-term debt obligations in the statement of activities, based upon campus square footage.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates made in the preparation of the financial statements include the valuation of alternative investments, valuation of liability under split-interest agreements, useful lives of property, plant, and equipment, asset retirement obligations, postretirement benefit obligation, and estimated net realizable value of receivables. Actual results could differ from those estimates.

Accounting for Uncertainty in Income Taxes

The College complies with the provisions of ASC 740-10. ASC 740-10 clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This section provides that the tax effects from an uncertain tax position can be recognized in the financial statements only if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

The College is exempt from federal income taxation. Nevertheless, the College may be subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the IRC.

Management has determined that there are no material uncertain tax positions within its financial statements.

Concentrations of Credit Risk

Cash, cash equivalents, and investments are exposed to interest rate, market, and credit risks. The College maintains its cash and cash equivalents in various bank deposit accounts that may exceed federally insured limits at times. To minimize risk, the College places its cash accounts with high credit quality financial institutions and the College's investment portfolio is diversified with several investment managers in a variety of asset classes. The College does not anticipate any losses in such accounts.

2023 Summarized Comparative Financial Information

The accompanying financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the College's audited financial statements as of and for the year ended June 30, 2023, from which the summarized information was derived.

COVID-19 Related Funding

The College applied for FEMA pandemic recovery funds beginning in fiscal year 2021. On May 17, 2023, FEMA obligated a grant of \$2.3 million to cover the College's eligible COVID-19 testing expenses.

As of June 30, 2024, all amounts awarded under FEMA, have been spent and recognized as revenue.

Revision of Prior Period Balances

The College revised its June 30, 2023 financial statements by reclassifying \$38.0 million from Cash and Cash Equivalents to Cash for Capital Projects and reclassifying \$18.4 million from Pledges Receivable, net to Pledges Receivable, net for Capital Projects. Additionally, the College revised its Available Resources and Liquidity footnote as follows a) Financial Assets at Year End reflect the reclassifications noted above and b) Financial Assets and Liquidity Resources Available to Meet General Expenditures Over the Next 12

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

months excludes Cash for Capital Projects of \$38.0 million; Pledges receivables, net for Capital Projects Due in One Year of \$6.2 million and \$60.5 million for financial assets restricted by donors with time or purpose restrictions as of June 30, 2023. The accompanying 2023 statement financial positions and Note 17 reflect these changes. The results of these revisions did not have a material effect on the financial statements as previously reported.

NOTE 3 - STUDENT NOTES RECEIVABLE, NET

The College makes uncollateralized loans to students, based on financial need. Student loans are funded through a federal government loan program or institutional resources.

At June 30, 2024 and 2023, student notes receivable, net consisted of the following:

| | 2024 | 2023 |
|--|-------------------|-------------|
| Federal government program Institutional programs | \$ 173 1,726 | \$ |
| | 1,899 | 1,834 |
| Less: allowance for doubtful accounts Beginning of year (Increase) decrease in allowance | (387) (36) | (459) 72 |
| End of year | (423) | (387) |
| Student notes receivable, net | \$ 1,476 | \$ 1,447 |

The College participates in the Perkins federal revolving loan program. The availability of funds for loans under the program is dependent on reimbursements to the pool from repayments on outstanding loans. Funds advanced by the federal government of approximately \$0.1 million and \$0.2 million at June 30, 2024 and 2023, respectively, are ultimately refundable to the government and are classified as a liability in the statement of financial position. Outstanding loans cancelled under the program result in a reduction of funds available for loan and a decrease in the liability to the government. At June 30, 2024 and 2023, the following amounts were past due under the student loan programs:

| | In Default < 240 Days (Monthly Installments) or 270 Days (Quarterly Installments) | In Default > 240 Days (Monthly Installments) or 270 Days (Quarterly Installments) | Total Past Due |
|------|---|---|----------------|
| 2024 | <u>\$ 17</u> | \$ 377 | \$ 394 |
| 2023 | \$ 25 | \$ 400 | \$ 425 |

Allowances for doubtful accounts are established, based on prior collection experience and current economic factors which, in management's judgment could influence the ability of loan recipients to repay

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

the amounts per the loan terms. Institutional loan balances are written-off only when they are deemed to be permanently uncollectible.

NOTE 4 - PLEDGES RECEIVABLE, NET AND PLEDGES, NET FOR CAPITAL PROJECTS

| | | | I | FY 2024 | |
|--|-----|-----------------------------------|--|--|--|
| | Rec | Pledge eivable, Net | Pledge Receivable, Net for Capital Projects | | Total |

As of June 30, 2024 and 2023, 54% of the total of gross pledges receivable and pledge receivables for capital projects were due from four donors.

NOTE 5 - INVESTMENTS AND FAIR VALUE

The College's investment objective is to invest its assets in a prudent manner in order to achieve a longterm rate of return sufficient to fund a portion of its spending and to increase investment value equal to or above inflation. The College uses a diversified investment approach incorporating multiple asset classes,

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

strategies, and managers. The Committee on Investments of the College's Board of Trustees oversees the College's investments and authorizes investment decisions.

In addition to equity and fixed income investments, the College may also hold shares or units in institutional funds and alternative investment funds involving hedged, private equity, and real estate strategies. These investments are valued at NAV. Hedged strategies involve funds whose managers have the authority to invest in various asset classes at their discretion, including the ability to invest long and short. Funds with hedged strategies generally hold securities or other financial instruments for which a ready market exists, and may include stocks, bonds, put or call options, swaps, currency hedges, and other instruments. Private equity funds generally employ buyout, venture capital, and debt-related strategies, often requiring the estimation of fair values by the fund managers in the absence of readily determinable market values. Real estate strategies involve funds whose managers invest primarily in commercial and residential real estate primarily located in the United States.

As of June 30, 2024 and 2023, the College had alternative investments of approximately \$297.4 million and \$286.8 million, respectively. Alternative investments include private equity partnerships, real estate, and hedged strategies. Underlying securities owned by the alternative investments include certain publicly traded securities that have readily available market values and other investments that are not readily marketable. The agreements underlying participation in those investments may limit the College's ability to liquidate its interests in such investments for a period of time.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE 6 - ENDOWMENT FUNDS

The College's endowment consists of over 1,000 individual funds established for a variety of purposes, including both donor-restricted endowment funds and funds designated by the College to function as endowments (quasi-endowments).

The College manages the endowment to obtain multi-year performance (net of fees) that exceeds, on both an absolute and risk-adjusted basis, the performance of several benchmarks over rolling five-year periods. Asset allocation parameters are established for investments with lock-up periods. The strategy allows for a significant allocation to equity-oriented investments offering long-term capital appreciation, diversified across asset classes and managers.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

The College has established an endowment spending policy for spending from the endowment for current operations in a manner that maintains the purchasing power of the endowment. The policy's goal is to achieve an average 5% spending rate over time. Annual spending from the endowment is set at 5% of the rolling three-year average of the endowment's market value as of December 31 of the previous year and is approved annually by the Board of Trustees.

On September 17, 2010, New York State enacted its version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"), referred to as "NYPMIFA," which imposes guidelines on the management and investment of endowment funds. The Board of Trustees of the College has interpreted NYPMIFA as allowing the College to appropriate for expenditure or accumulate so much of an endowment fund as the College determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument. Unless stated otherwise in the gift instrument, the assets in an endowment fund shall be donor-restricted assets until appropriated for expenditure by the Board of Trustees. The College classifies as net assets with donor restrictions: (a) the original value of gifts donated to the permanent endowment; (b) the original value of subsequent gifts donated to the permanent endowment; and (c) accumulations of income to the permanent endowment made in accordance with the direction of the applicable donor gift instruments. Accounting guidance associated with the enactment of NYPMIFA as set forth in ASC Topic 958-205-45, Classification of Donor-Restricted Endowment Funds Subject to UPMIFA, requires the accumulated unspent earnings of a donor-restricted endowment fund to be classified as net assets with donor restrictions until appropriated for expenditure in a manner consistent with the standard of prudence prescribed by NYPMIFA. The College has interpreted NYPMIFA to permit spending from underwater funds in accordance with prudent measures required under the law. In accordance with NYPMIFA, the Board of Trustees considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund;
- The purpose of the College and the donor-restricted endowment fund;
- General economic conditions;
- The possible effects of inflation and deflation;
- The expected total return from income and the appreciation of investments;
- Other resources of the College;
- The investment policies of the College; and
- Where appropriate, alternatives to spending from donor-restricted endowment funds and the possible effects on the College.

Endowment and quasi-endowment funds consisted of the following at June 30, 2024 and 2023, excluding perpetual and outside trusts and pledges of approximately \$4.7 million and \$5.8 million, respectively:

| | Without Donor Restrictions | | With Donor Restrictions | | Total | |
|---|-------------------------------|-------------|----------------------------|--------------|-------|-------------------|
| Fiscal year 2024: Donor restricted Board designated | \$ | - 57,597 | \$ | 445,847 - | \$ | 445,847 57,597 |
| Total | \$ | 57,597 | \$ | 445,847 | \$ | 503,444 |

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

| | Without Donor Restrictions | | With Donor Restrictions | | Total | |
|---|-------------------------------|----|----------------------------|----|-------------------|--|
| Fiscal year 2023: Donor restricted Board designated | \$ - 53,910 | \$ | 412,518 - | \$ | 412,518 53,910 | |
| Total | \$ 53,910 | \$ | 412,518 | \$ | 466,428 | |

Changes in the endowment funds for the fiscal years ended June 30, 2024 and 2023 were as follows:

| | | Without Donor Restrictions | | /ith Donor estrictions | Total |
|---|-------------------------------|----------------------------------|----|---|---|
| Balance at June 30, 2023 Investment return, net Designations/contributions Appropriation for expenditure | \$ | 53,910 6,330 3 (2,646) | \$ | 412,518 44,983 8,110 (19,764) | \$ 466,428 51,313 8,113 (22,410) |
| Balance at June 30, 2024 | \$ | 57,597 | \$ | 445,847 | \$ 503,444 |
| | Without Donor Restrictions | | | /ith Donor estrictions | Total |
| Balance at June 30, 2022 Investment return, net Designations/contributions Appropriation for expenditure | \$ | 53,170 3,337 28 (2,625) | \$ | 394,374 26,303 10,480 (18,639) | \$ 447,544 29,640 10,508 (21,264) |
| Balance at June 30, 2023 | \$ | 53,910 | \$ | 412,518 | \$ 466,428 |

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that donors or NYPMIFA requires the College to retain as a fund of perpetual duration. There were no deficiencies of this nature that existed in donor-restricted endowment funds as of June 30, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

NOTE 7 - PROPERTY, PLANT, AND EQUIPMENT, NET

Property, plant, and equipment, net consisted of the following at June 30, 2024 and 2023:

| | 2024 | 2023 |
|---|--|--|
| Land Buildings and building improvements Furniture, fixtures, and equipment Construction in progress | \$ 1,234 439,592 32,207 67,237 | \$ 1,234 436,138 29,766 29,852 |
| | 540,270 | 496,990 |
| Less: accumulated depreciation | (214,860) | (202,523) |
| Total | \$ 325,410 | \$ 294,467 |

Depreciation expense was approximately \$12.3 million and \$11.7 million for the years ended June 30, 2024 and 2023, respectively.

NOTE 8 - ASSET RETIREMENT OBLIGATIONS

The College accrues for costs related to legal obligations to perform certain activities in connection with the retirement, disposal, or abandonment of assets. The College has identified asbestos abatement and lead paint exposure as conditional asset retirement obligations. Asbestos and lead paint abatement costs are estimated using a per-square-foot estimate.

Using a discount rate of 6.25%, the present value of the initial obligation amounted to \$1.4 million. As of June 30, 2024 and 2023, the obligation amounted to approximately \$4.0 million and \$3.8 million, respectively. For the years ended June 30, 2024 and 2023, accretion expense totaled \$0.2 million per year.

NOTE 9 - RETIREMENT PLANS

Full-time faculty and administrators of the College are covered under a defined contribution pension plan established with Teachers Insurance and Annuity Association and Fidelity Investments (the "Admin Plan"). Under the Admin Plan, eligible employees may make contributions into the Plan, up to the maximum allowed by the IRC. For the Admin Plan, the College contributed either 12% or 15% (as defined by the Admin Plan) for employees hired before July 2012, 9% or 12% (as defined by the Admin Plan) for those employees hired between July 2012 and January 2019, and 7% or 10% (as defined by the Admin Plan) for those employees hired after January 2019.

Employees who are members of Local 2110, United Auto Workers; members of Local 264, Transport Workers Union of America; and confidential employees are covered under a defined contribution plan established with Teachers Insurance and Annuity Association (the "Union Plan"). Under the Union Plan, eligible employees may make contributions into the Union Plan, up to the maximum allowed by the IRC. For the Union Plan, the College's contributions range from 2% to 12% of eligible compensation. Total pension expense for both plans for the years ended June 30, 2024 and 2023 were approximately \$10.7 million and \$9.9 million, respectively.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

NOTE 10 - POSTRETIREMENT MEDICAL PLANS

In addition to providing pension benefits, the College sponsors unfunded postretirement medical plans. For nonunion employees to be eligible for the medical benefits, the employee must be at least 62 years old with at least 10 years of continuous service immediately prior to retirement or a total of age and years of service equal to 80 with a minimum of 15 years of service. For union employees to be eligible for the medical benefits, the employee must be at least 62 years of service immediately prior to retirement.

The following tables identify the accumulated postretirement medical benefit obligation, the postretirement benefit obligation recognized in the accompanying statement of financial position, the net periodic postretirement medical benefit cost recognized in the accompanying statement of activities, and the related assumptions:

| | 2024 | 2023 |
|--|---|--|
| Change in benefit obligation: Benefit obligation, beginning of year Service cost Interest cost Plan participants' contributions Actuarial gain Benefits paid | \$ 24,707 1,063 1,331 1 (1,199) (558) | \$ 23,520 1,093 1,154 20 (501) (579) |
| Postretirement benefit obligation, end of year | \$ 25,345 | \$ 24,707 |
| Change in plan assets: Fair value of plan assets, beginning of year Employer contributions Plan participants' contributions Benefits paid | \$ - 557 1 (558) | \$ 559 20 (579) |
| Fair value of plan assets, end of year | \$ - | \$ - |

Net periodic benefit cost reported as operating expense for the years ended June 30, 2024 and 2023 included the following components:

| | 2024 | | 2023 |
|---|-------------------------------------|----|-------------------------------|
| Service cost Interest cost Amortization of prior year cost Recognized actuarial gain | \$ 1,063 1,331 96 (343) | \$ | 1,093 1,154 96 (326) |
| Net periodic postretirement medical benefit cost | \$ 2,147 | \$ | 2,017 |

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

Postretirement cost other than net periodic benefit cost for the years ended June 30, 2024 and 2023 is as follows:

| | 2024 | | 024 2023 | |
|--|------|------------------------|----------|----------------------------|
| Postretirement cost other than net periodic benefit cost | \$ | (952) | \$ | (270) |
| Weighted-average discount rate used to determine benefit obligations at June 30, Weighted-average discount rate used to determine net period | | 5.75% | | 5.50% |
| benefit cost for the fiscal year ended June 30, | | 5.50% | | 5.00% |
| | | Jnion/ onunion | | Union/ Nonunion |
| Assumed healthcare cost trend rates: | 0.75 | 0/ 0750/ | 7 | |
| Healthcare cost trend rate Healthcare cost trend assume to decline | •• | % - 6.75% % - 4.50% | | 00% - 7.00% 50% - 4.50% |
| Ultimate trend rate achieved | | 2033 | | 2033 |

The items not yet recognized as a component of net periodic benefit cost are as follows:

| | 2024 | | 2023 | |
|--|---------------------|----|----------------|--|
| Net actuarial gain Prior service cost | \$ (6,525) 85 | \$ | (5,669) 181 | |
| Total | \$ (6,440) | \$ | (5,488) | |

The College makes contributions to the postretirement medical plans equal to the benefits paid on a payas-you-go basis. For faculty and administrators, the contributions are deposited into a health reimbursement account on behalf of the retiree. For the years ending June 30, 2025 through June 30, 2034, the College expects to make contributions to and benefit payments from the plans, net of Medicare subsidy, as follows:

| 2025 | \$ 1,116 |
|-------------------|-------------|
| 2026 | 1,249 |
| 2027 | 1,394 |
| 2028 | 1,540 |
| 2029 | 1,646 |
| 2030 through 2034 | 10,496 |

NOTE 11 - SHORT-TERM DEBT OBLIGATIONS

The College has one unsecured revolving line of credit agreement with JPMorgan Chase for \$30 million. As of June 30, 2024 and 2023, the College had no outstanding borrowings. For the years ended June 30, 2024 and 2023, amounts borrowed under this facility bear interest based at SOFR plus 75 basis points (6.08%) and SOFR plus 73 basis points (5.82%), respectively. This line of credit is set to expire on May 27, 2025.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

NOTE 12 - LONG-TERM DEBT OBLIGATIONS

Long-term debt obligations consist of the following:

| | 2024 | 2023 |
|---|-----------------------|-----------------------|
| Dormitory Authority of the State of New York, Barnard College Revenue Bonds, Series 2015A. Interest at 2.00% to 5.00%, due | | |
| serially to 2046 (a) Dormitory Authority of the State of New York, Series 2020A. | \$ 50,830 | \$ 50,830 |
| Interest at 4.00%, due serially to 2049 (b) Dormitory Authority of the State of New York, Series 2022A. | 39,380 | 40,555 |
| Interest at 4.00% to 5.00%, due in 2049 (c) | 40,395 | 40,395 |
| Dormitory Authority of the State of New York, Series 2022B. Interest at 5.972%, due in 2042 (d) | 42,720 | 42,720 |
| Total | 173,325 | 174,500 |
| Add: unamortized bond premium Less: unamortized bond issuance costs | 12,168 (1,928) | 12,688 (2,021) |
| Total long-term obligations | \$ 183,565 | \$ 185,167 |

(a) In March 2015, the College entered into a new loan agreement with the Dormitory Authority of the State of New York to issue \$109.0 million in Dormitory Authority of the State of New York Barnard College Revenue Bonds, Series 2015A ("DASNY 2015A Bonds"). The proceeds of the DASNY 2015A Bonds financed a portion of the costs of the construction of a new approximately 133,000 gross square foot multipurpose facility at the College, as well as other campus-wide renovations and maintenance projects ("The Milstein Center and other projects"); refund and defease all of the outstanding DASNY 2004 Bonds; and refund and defease a portion of the DASNY 2007A Bonds and pay the costs of issuance for the DASNY 2015A Bonds. No redemption premiums were paid on these refundings as both the DASNY 2004 Bonds and the DASNY 2007A Bonds were redeemed at par.

The DASNY 2015A Bonds are secured by the pledge and assignment of tuition and fees charged to students for academic instruction by the College (the "Pledged Revenues"). Additionally, the College has entered into certain financial covenants with the DASNY in relation to the DASNY 2015A Bonds. The College was in compliance with these covenants as of June 30, 2024 and 2023.

- (b) In February 2020, the College entered into a new loan agreement with the Dormitory Authority of the State of New York to issue \$40.5 million in Dormitory Authority of the State of New York Barnard College Revenue Bonds, Series 2020A ("DASNY 2020A Bonds"). The proceeds of the DASNY 2020A Bonds will finance improvement of facilities located on the College's Morningside campus, refund and defease the remaining outstanding DASNY 2007A Bonds, and pay the costs of issuance for the DASNY 2020A Bonds. No redemption premiums were paid on this refunding as the DASNY 2007A Bonds were redeemed at par. The DASNY 2020A Bonds are an unsecured obligation of the College.
- (c) In July 2022, the College entered into a new loan agreement with the Dormitory Authority of the State of New York to issue \$40.4 million in Dormitory Authority of the State of New York Barnard College Revenue Bonds, Series 2022A ("DASNY 2022A Bonds"). The proceeds of the DASNY 2022A Bonds will finance improvement of facilities located on the College's Morningside campus,

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

refunded and defeased the remaining outstanding DASNY 2020B Bonds, and paid the costs of issuance for the DASNY 2022A Bonds. The DASNY 2022A Bond are an unsecured obligation of the College.

(d) In July 2022 the College entered into a new loan agreement with the Dormitory Authority of the State of New York to issue \$42.7 million in Dormitory Authority of the State of New York Barnard College Revenue Bonds, Series 2022B ("DASNY 2022B Bonds"). The proceeds of the DASNY 2022B Bonds will be used to finance improvement of facilities located on the College's Morningside campus, refunded and defeased a portion of the outstanding DASNY 2015A Bonds, and paid the costs of issuance for the DASNY 2022B Bonds. There was no redemption premium paid on this refunding. The DASNY 2022B Bonds are a general and unsecured obligation of the College.

In accordance with the provisions of the loan agreements for the DASNY 2015A, DASNY 2020A, DASNY 2022A, and DASNY 2022B, the College is required to deposit construction and reserve funds with the trustee. These funds with a fair value of approximately \$26.2 million and \$44.3 million at June 30, 2024 and 2023, respectively, were held in cash and U.S. governmental securities and are included in funds held by bond trustee in the accompanying statement of financial position.

The College capitalized bond issuance costs incurred in support of certain capital improvement projects. Total bond issuance costs capitalized as of June 30, 2024 and 2023 were approximately \$1.9 million and \$2.0 million, respectively, and are included as an offset to the carrying value of the debt to which it relates in the accompanying statement of financial position. The College is amortizing the deferred issuance costs along with bond premiums over the life of the bonds. Amortization expense for the years ended June 30, 2024 and 2023 was \$0.01 million and \$0.2 million, respectively.

On March 23, 2021, the College executed a two-year forward swaption with the Royal Bank of Canada as its counterparty. The notional amount of the swaption was \$35.4 million with an effective date of April 1, 2023. The strike price was 2.065%. The swaption terminated on April 1, 2023 with a final valuation of \$3.7 million resulting in a net gain of \$1.2 million which is reported as non-operating activities in the Statement of Activities for the year ended June 30, 2023.

Projected debt service payments on the long-term obligations as of June 30, 2024, for five years subsequent to June 30, 2024 and thereafter, are as follows:

| Fiscal | Principal | | | Interest | Total | | |
|------------|-----------|---------|----|----------|-------|---------|--|
| 2025 | \$ | 1,260 | \$ | 8,309 | \$ | 9,569 | |
| 2026 | | 1,310 | | 8,258 | | 9,568 | |
| 2027 | | 2,280 | | 8,206 | | 10,486 | |
| 2028 | | 2,345 | | 8,105 | | 10,450 | |
| 2029 | | 2,440 | | 8,002 | | 10,442 | |
| Thereafter | | 163,690 | | 92,366 | | 256,056 | |
| | \$ | 173,325 | \$ | 133,246 | \$ | 306,571 | |

Interest expense on long-term debt obligations for the years ended June 30, 2024 and 2023 amounted to approximately \$8.1 million and \$9.6 million, respectively.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

NOTE 13 - STUDENT SERVICES REVENUE

The College has various revenue streams that revolve mainly around student enrollment and instruction. Revenue is generated mainly through tuition, housing and meals and various fees associated with enrollment in the College. Generally, enrollment and instructional services are billed when a course or term begins, and paid within 30 days of the bill date.

In the following tables, revenue is disaggregated by type of service provided:

| For the Year Ended June 30, 2024: | Т | uition and Fees | Housing | Meals | Health Services | Total |
|---|----|---------------------|-------------------------|-------------------------|----------------------|---------------------------|
| Student services revenue Less: financial aid allowance | \$ | 207,615 (49,705) | \$ 30,304 (7,255) | \$ 13,879 (3,323) | \$ 4,074 (975) | \$ 255,872 (61,258) |
| Net student services revenue | \$ | 157,910 | \$ 23,049 | \$ 10,556 | \$ 3,099 | \$ 194,614 |
| For the Year Ended June 30, 2023: | T | uition and Fees | Housing | Meals | Health Services | Total |
| Student services revenue Less: financial aid allowance | \$ | 192,071 (47,273) | \$ 27,787 (6,839) | \$ 11,509 (2,833) | \$ 3,785 (931) | \$ 235,152 (57,876) |
| Net student services revenue | \$ | 144,798 | \$ 20,948 | \$ 8,676 | \$ 2,854 | \$ 177,276 |

The College has taken a portfolio approach in determining whether student aid should apply across tuition and fees, housing, and meals. The College awards student aid on a need-blind basis, factoring in the total cost of attendance including tuition, fees, room and board, and the students expected ability to contribute towards such charges. Accordingly, student aid has been applied against all student services revenues.

Deferred revenue for student services at June 30, 2024 and 2023 was \$1.1 million and \$1.0 million, respectively, and represents the College's performance obligation to transfer future enrollment and instructional services to students. For the years ended June 30, 2024 and 2023, the College recognized revenue of \$0.1 million and \$0.4 million, respectively, from amounts that were included in deferred revenues at the beginning of the years. The changes in deferred revenues were caused by normal timing differences between the satisfaction of performance obligations and customer payments.

The College has elected, as a practical expedient, not to disclose additional information about unsatisfied performance obligations for contracts with customers that have an expected duration of one year or less.

NOTE 14 - PRE-COLLEGE AND RENTAL REVENUES

Pre-college and rental revenues are non-student revenue sources for the College generated primarily from the College's pre-college programs and the rental of its classrooms and residential buildings.

The following is a summary of revenues by category:

| | 2024 | | | 2023 |
|---|------|----------------|----|----------------|
| Rental revenue Pre-college program revenue | \$ | 5,256 4,577 | \$ | 3,698 3,310 |
| | \$ | 9,833 | \$ | 7,008 |

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

Pre-college program and rental revenues are recognized over the terms of the related programs or rental agreements, respectively. The terms of the rental agreements range from one to 15 years. Management has elected the practical expedient permitted under ASC 606 not to disclose information about remaining performance obligations related to pre-college programs, as these contracts have original terms that are one year or less.

NOTE 15 - INTERCORPORATE AGREEMENT

An intercorporate agreement between the College and Columbia University provides for payment for the exchange of certain services between the two institutions. These services include cross-registration for students, college services, faculty exchange, athletics, and certain special services and support costs.

The statement of activities include expenses in the amount of approximately \$15.6 million and \$11.6 million for the years ended June 30, 2024 and 2023, respectively, for services provided under the terms of the agreement.

The College's intercorporate agreement terminated on June 30, 2024 and has been renewed through June 30, 2034. The expense relates to the annual base payment for noted services as well as additional payments related to students net points exchanged with Columbia based on cross registration.

NOTE 16 - NET ASSETS

Net assets with donor restrictions are available for the following purposes at June 30, 2024 and 2023:

| | 2024 | | |
|---|---|----|---------------------------------------|
| Instruction, research, and library Financial aid Plant improvements Gifts to be designated | \$ 280,547 241,781 80,116 4,207 | \$ | 270,029 216,453 63,142 3,997 |
| | \$ 606,651 | \$ | 553,621 |

As of June 30, 2024 and 2023, net assets in perpetuity was approximately \$268,956 and \$250,476, respectively, which consisted of endowment corpus and pledges.

NOTE 17 - AVAILABLE RESOURCES AND LIQUIDITY

The College regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The College has various sources of liquidity at its disposal, including cash and cash equivalents, marketable debt and equity securities, receivables, and one unsecured line of credit as of June 30, 2024.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, the College considers all expenditures related to its ongoing activities of instruction, research and public service as well as the conduct of services undertaken to support those activities. Student notes receivables are not included in the analysis as principal and interest on these loans are used to solely to make new loans, and are therefore, not available to meet current operating needs.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

In addition to the financial assets available to meet general expenditures over the next 12 months, the College anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

As of June 30, 2024 and 2023, the following tables show the total financial assets held by the College and the amounts of those financial assets that could readily be made available within one year of the date of the statement of financial position to meet general expenditures:

| Financial Assets at Year End: | 2024 | 2023 | | |
|--|--|--|--|--|
| Cash and cash equivalents Student accounts receivable, net Student notes receivable, net Grants and other receivables Pledges receivable, net Cash for capital purposes Pledges receivable, net for capital projects Investments Funds held by bond trustee | \$ 45,732 884 1,476 8,019 21,315 57,383 16,381 513,098 26,163 | \$ 45,320 934 1,447 9,033 23,946 38,048 18,373 475,937 44,299 | | |
| Total | \$ 690,451 | \$ 657,337 | | |
| Financial Assets and Liquidity Resources Available to Meet General Expenditures Over the Next 12 Months: | 2024 | 2023 | | |
| Financial assets: Cash and cash equivalents Student accounts receivable, net Grants and other receivables Pledges receivable, net Payout on donor-restricted endowment for use over the next 12 months Payout on quasi-endowments for use over the next 12 months Investments not encumbered by donor restrictions but require board approval | \$ 45,732 884 8,019 7,323 20,854 2,668 54,929 140,409 | \$ 45,320 934 9,033 9,826 19,644 2,766 51,144 138,667 | | |

| Less: Financial Assets Restricted by Donor with time or purpose restrictions | 170,409 (58,522) | 168,667 (60,484) | | |
| Financial Resources Available for General Operations Over Next 12 Months | \$ 111,887 | \$ 108,183 | | |

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

In addition to these available financial assets, a significant portion of the College's annual expenditures will be funded by current year operating revenues including student services, net.

NOTE 18 - EXPENSES

Operating expenses are reported in the statement of activities by functional classification. The College's expenses by natural classification were as follows for the year ended June 30, 2024.

| | | | | | | 2 | 2024 | | | | | |
|--|---------------------|----|--------------|-----------------|-----------------------|----|----------------|------------------------|--------------------------------|-----------------------|---------------------------|----------------------------|

NOTE 19 - COMMITMENTS AND CONTINGENCIES

The College is a defendant in various lawsuits. Management of the College is of the opinion that the ultimate resolution of these matters will not have a material adverse effect on the College's financial position.

The College receives significant federal and state grants which are subject to audit by federal agencies. Management is of the opinion that disallowances, if any, would not have a significant effect on the financial position or changes in net assets of the College.

At the end of fiscal year 2020, the College leased a building under a lease classified as the College's only finance lease.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

The leased building will be amortized on a straight-line basis over 39 years. The interest rate related to the lease obligation is 4.2% and the maturity date is June 2058. Future minimum lease payments under the capital lease obligation at June 30, 2024 are as follows:

Year Ending June 30:

| 2025 2026 2027 2028 2029 Thereafter | \$ 1,947 2,015 2,085 2,159 2,236 113,107 |
|--|--|
| Total minimum lease payments | 123,549 |
| Less: amount representing interest | (73,126) |
| Finance lease liability at year end | \$ 50,423 |

Supplemental statement of financial position information related to financial lease at June 30, 2024 and 2023:

| | 2024 | 2023 |
|--|-------------------------|-------------------------|
| Right-of-use asset Accumulated amortization | \$ 47,205 (6,047) | \$ 47,205 (4,839) |
| | \$ 41,158 | \$ 42,366 |

The College assesses contracts at inception to determine whether an arrangement includes a lease, which conveys the College's right to control the use of an identified asset for a period of time in exchange for consideration. The College has several non-cancellable operating leases for building space used for student housing and administration, and equipment, for which right-of-use ("ROU") assets and lease liabilities are recorded in the accompanying fiscal year 2024 statement of financial position. The College measures its lease assets and liabilities using the risk-free rate of return selected based on the term lease. The College considered the likelihood of exercising renewal or termination terms in measuring the ROU assets and liabilities. The College has included renewal periods in its assessment of lease terms when provided for in the lease. The College's lease payments are based on fixed payments. There are no variable or short-term leases. The leases contain no termination options or residual value guarantee.

Supplemental statement of financial position information related to operating leases at June 30, 2024 and 2023:

| | | 2024 | | |
|---------------------------------------|----|-------|----|------------------|
| ROU asset Accumulated amortization | \$ | | \$ | 6,292 (4,272) |
| | \$ | 1,640 | \$ | 2,020 |

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

| | 2024 | 2023 |
|---|--------------------|-----------------------------------|
| Weighted-average remaining lease term: Weighted-average discount rate: | 3.5 years 3.16% | 5.00 years 3.19% |
| Year Ending June 30: | | |
| 2025 2026 2027 2028 2029 | 5 | 5 439 439 439 301 108 |
| Total lease obligation, gross | | 1,726 |
| Less: amounts representing interest rates from 2.81% to 3.48% | _ | (87) |
| Total lease liability | 9 | 5 1,639 |

Rental expense for the years ended June 30, 2024 and 2023 totaled approximately \$7.2 million and \$5.2 million, respectively. During the current year, there were no new lease agreements.

The components of lease cost for the years ended June 30, 2024 and 2023 are as follows:

| | 2024 | 2023 |
|---|-------------|-------------|
| Cash paid for amounts included in the measurement of lease liabilities | | |
| Operating cash flows from operating leases | \$ 439 | \$ 499 |
| Operating cash flows from finance lease | \$ 1,881 | \$ 1,818 |

On February 3, 2023, the College entered into a rental agreement for shared space with Columbia University through June 30, 2027, which does not meet the definition of a lease under ASC 842. Future minimum lease payments under the capital lease obligation at June 30, 2024 are as follows:

Year Ending June 30:

| 2025 2026 2027 | | \$ 3,254 2,679 2,679 |
|----------------------|------------------------|-------------------------------|
| | Total minimum payments | \$ 8,612 |

NOTE 20 - RELATED-PARTY TRANSACTIONS

Members of the College's Board of Trustees and senior management may, from time to time, be associated, either directly or indirectly, with companies doing business with the College. The College has a written conflict of interest policy that requires, among other things, that no member of the Board of Trustees may participate in any decision in which he or she has a material financial interest. Each Trustee and senior manager are required to certify compliance with the conflict of interest policy on an annual basis as well as

NOTES TO FINANCIAL STATEMENTS - CONTINUED

June 30, 2024 and 2023 (Dollars in thousands)

disclose any potential related-party transactions to the Committee of Audits and Compliance. When such a relationship exists, the College requires that such transactions be conducted at arms' length, with terms that are fair and reasonable to and for the benefit of the College. For senior management, the College requires annual disclosure of significant financial interests in, or governance of employment or consulting relationships with, entities doing business with the College. When such relationships exist, measures are taken to appropriately manage the actual or perceived conflict in the best interest of the College. No related party transactions existed for fiscal years 2024 and 2023 that require disclosure.

NOTE 21 - RELATED-PARTY TRANSACTIONS AS REQUIRED BY THE DEPARTMENT OF EDUCATION

The following list of related party transactions is provided to comply with the Financial Responsibility, Administrative Capability, Certification Procedures, Ability to Benefit regulation promulgated by the U.S. Department of Education for the years ended June 30, 2024 and 2023:

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

For the year ended June 30, 2024

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Barnard College (the "College") and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the provisions of the Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirement for Federal Awards* ("Uniform Guidance"). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

NOTE 2 - STUDENT LOAN PROGRAMS

With respect to the Federal Direct Student Loan Programs (Assistance Listing Number 84.268) (including Federal Stafford Student Loans and Federal PLUS Loans), the College is responsible only for the performance of certain administrative duties. Therefore, the balances of loans outstanding and transactions related to these programs are not included in the College's basic financial statements. It is not practical to determine the balance of loans outstanding to students of the College under those programs at June 30, 2024.

The federal student loan program listed below is administered directly by the College, and balances and transactions relating to this program are included in the College's financial statements. Loan activities and balances consist of the following:

| | Assistance Listing Number | Balance as of July 1, 2023 | | Loans Issued | | Payments Received | | Balance as of June 30, 2024 | |
|----------------------|------------------------------|----------------------------|---------|--------------|---|----------------------|----------|-----------------------------|---------|
| Perkins Loan Program | 84.038 | \$ | 269,687 | \$ | - | \$ | (96,372) | \$ | 173,315 |

NOTE 3 - INDIRECT COST RATE

Indirect costs allocated to such awards for the year ended June 30, 2024, were based on predetermined rates negotiated with the College's cognizant federal agency, the U.S. Department of Health and Human Services ("DHHS"). In addition, the College has not elected to use the 10% de minimus cost rate as provided by 2 C.F.R. §200.414 Indirect (F&A) costs.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Board of Trustees of Barnard College

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of Barnard College (the "College"), which comprise the statement of financial position as of June 30, 2024, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 25, 2024.

Report on internal control over financial reporting

In planning and performing our audit of the financial statements, we considered the College's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we do not express an opinion on the effectiveness of the College's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the College's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as finding 2024-001 that we consider to be a significant deficiency in the College's internal control.

Report on compliance and other matters

As part of obtaining reasonable assurance about whether the College's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements.

However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

College's response to findings

Government Auditing Standards requires the auditor to perform limited procedures on the College's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The College's response was not subjected to the other auditing procedures applied in the audit of the financial statements, and accordingly, we express no opinion on the College's response.

Purpose of this report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the College's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the College's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Trustees of Barnard College

Report on compliance for each major federal program

Opinion on each major federal program

We have audited the compliance of Barnard College, (the "College") with the types of compliance requirements identified as subject to audit in the U.S. Office of Management and Budget's *OMB Compliance Supplement* that could have a direct and material effect on each of the College's major federal programs for the year ended June 30, 2024. The College's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the College complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for opinion on each major federal program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (US GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the College and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the College's compliance with the compliance requirements referred to above.

Responsibilities of management for compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the College's federal programs.

Auditor's responsibilities for the audit of compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the College's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the College's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with US GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the College's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the College's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on internal control over compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance over the terms of a federal program will not be prevented.

material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in the College's internal control over compliance that we consider to be material weaknesses or significant deficiencies. However, material weaknesses or significant deficiencies in internal weaknesses or significant deficiencies.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this Report on Internal Control Over Compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

| Auditee qualified as low-risk auditee? | X yes no | | | | | |

SCHEDULE OF FINDINGS AND QUESTIONED COSTS - CONTINUED

For the year ended June 30, 2024

SECTION II - FINANCIAL STATEMENT FINDINGS

FINDING 2024-001: INFORMATION TECHNOLOGY – ACCESS RIGHTS (SIGNIFICANT DEFICIENCY)

Criteria:

Segregation of duties is a key internal control intended to minimize the occurrence of errors or fraud by ensuring that no employee has the ability to both perpetrate and conceal errors or fraud in the normal course of their duties.

Condition:

We noted the following non-Information Technology users maintain security administration access to the PowerFAIDS application which is used for processing financial aid awards.

- Dean, Enrollment Management
- Executive Assistant, Financial Aid

Per discussion with the College's information technology professionals, due to system limitations, logs are not available relating to this activity. While we did not note any instances of management override of PowerFAIDS, these individuals would have the ability to override or inappropriately edit various functions of the software, including packaging of financial aid.

Cause:

The College believed that these individuals should maintain such rights as part of their overall responsibilities to package financial aid. However, per discussion with the College's information technology professionals, due to system limitations logs are not available relating to this activity.

Effect:

The College was not able to demonstrate appropriate segregation of duties within the PowerFAIDS application.

Identification as a repeat finding:

Not applicable.

Recommendation:

We recommend that the administration access should be limited to individuals in the Information Technology group.

Views of Responsible Officials and Planned Corrective Action:

Management notes that this was a finding in the prior year and agrees that the controls on the security administration access to the PowerFAIDS application needs to be improved. As a result of the prior year finding, in fiscal year 2024, the College created a new role within PowerFAIDS to segment security administration functions from application administration functions. During the implementation of this role, the College determined that the security administration functions were best handled in the Financial Aid department which is better equipped to respond quickly to access change requests. However, recently it was discovered that one of the security administrators was provided full access to PowerFAIDS. The employee's security administrator rights have been removed and there is no evidence of any inappropriate transactions generated during this period. Additionally, the College will be moving the security administration of PowerFAIDS from Financial Aid to Information Technology.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS - CONTINUED

For the year ended June 30, 2024

SECTION III - FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARDS

None noted.

Corrective Action Plan For the Fiscal Year Ended June 30, 2024

Finding 2024-001:

Significant Deficiency – Information Technology – Access Rights

View of Responsible Officials and Planned Corrective Action:

Management notes that this was a finding in the prior year and agrees that the controls on the security administration access to the PowerFAIDS application needs to be improved. As a result of the prior year finding, in fiscal year 2024, the College created a new role within PowerFAIDS to segment security administration functions from application administration functions. During the implementation of this role, the College determined that the security administration functions were best handled in the Financial Aid department which is better equipped to respond quickly to access change requests. However, recently it was discovered that one of the security administrators was provided full access to PowerFAIDS. The employee's security administrator rights have been removed and there is no evidence of any inappropriate transactions generated during this period. Additionally, the College will be moving the security administration of PowerFAIDS from Financial Aid to Information Technology.
