

Following are sample questions to ask in a mid-course evaluation, designed to provide the instructor with feedback on teaching and learning during the course of the semester:

What is the most important/valuable thing you have learned in this course so far?

What is the least important/valuable thing you have learned?

What, if anything, is still unclear? What do you not understand well enough?

How can I help you learn better?

Is the pace of lectures too fast too slow about right ?

How many hours per week do you spend, **outside of lecture, lab, and section**, on this course?

1-2 hours 2-4 hrs 4-6 hrs 6-8 hrs more than 8 hours

About how much of the assigned reading have you completed?

100% 90% 75% 50% less than 50%

Do you have suggestions for improving the course?

What is helping you to learn in this class?

What, if anything, is making learning difficult?
