

Office of Human Resources

Dear Colleague:

At Barnard College, we're proud to offer our employees a comprehensive benefits package. Now, we're happy to introduce METPAYSM, a voluntary benefit program available to all eligible employees. The METPAY program is offered by MetLife[®] Auto & Home.

Through METPAY, you have the opportunity to apply to obtain quality coverage for your auto, home and other personal property. Additionally, participation in the program offers these advantages:

- **Competitive group rates**, which are available in most states to those who qualify.
- **Money-saving discounts** that could help reduce your premiums even more. (Available in most states to those who qualify.)
- **Payroll deduction** that spreads your payments over the policy term into more manageable installments. Checking account deduction and other payment options are also available.

The enclosed material provides additional information about the METPAY program. However, the best way to learn more about the program is to call **1 800 GET-MET 8** (1-800-438-6388) for free, no-obligation quotes. A knowledgeable METPAY Insurance Consultant can help you review your needs, explain the coverages available and help you make cost and coverage comparisons. You'll be able to tell right away if switching to the METPAY program makes sense for you. To make accurate comparisons, please have your current policies with you when you call.

Sincerely,

Sollette G. Baker
Manager, Benefits & Compensation

The METPAY program is available in most states to those who qualify. In Texas, homeowner's coverage is provided by Metropolitan Lloyds Insurance Company of Texas. In some instances, special arrangements for coverage have been made with other carriers.
