Please return this Request Form to Barnard College Financial Aid Office at the contact information above.
Please note that if you are applying for financial aid, you should not submit your loan request form until you have received a financial aid decision and can determine how much you will need to borrow.

2. The Financial Aid Office will submit the information provided on the PLUS Loan Request form to the U.S. Department of Education for approval.

3. If this is the first time that you are borrowing a Federal Direct PLUS Loan, parent completes the Master Promissory Note (MPN) electronically at studentloans.gov (sign in with your Federal Student Aid (FSA) ID, select “Parent Borrowers” and complete “PLUS Loan Master Promissory Note [MPN]”). The borrower information must match the information that was submitted on the PLUS Loan Request form. The borrower signs the promissory note online, using the FSA ID (same FSA ID the parent uses for the FAFSA). (Create or edit an FSA ID at fsaid.ed.gov if you do not already have one. The Parent FSA ID is not the same as the Student FSA ID. Please keep your Department of Education FSA ID in a safe place, as you may need to use it in future years.) The PLUS MPN is valid and may be used to process subsequent Federal Direct PLUS Loans for up to 10 years after the original PLUS MPN is signed.

4. Barnard College must receive an approval notice from the U.S. Department of Education before credit for a pending PLUS loan can be applied to the student’s account.
