Join Barnard STEP!

The Barnard College Science and Technology Entry Program (STEP) offers an exciting and rigorous academic enrichment program designed to assist 7th – 12th grade students acquire the skills and knowledge necessary to pursue post-secondary education leading to careers in scientific, technical or health-related fields, or the licensed professions. STEP seeks to increase the representation of historically underrepresented or economically disadvantaged students in those fields.

Courses offered this summer:

CSI: STEP
Science in Movies
Food Chemistry & Nutrition Science
Geometry of the Arts
Trauma 101

Barnard STEP Scholars must meet the following state-mandated guidelines in order to eligible:

• New York State Resident
• Member of an underrepresented group as per NYS Legislation: African-American/Black, Latino, Native American and/or Alaska Native or economically disadvantaged.
• Currently 7th-12th grade with minimum grade point average of 80% or B
