*Notes:*  
 This methodology includes students in every race/ethnicity category with which they identify.  
 Percentages are rounded to the nearest integer. Blank cells represent true zero.  
 The totals will sum to greater than 100% because students may select more than one race/ethnicity category.  
 Under-represented minority (URM) is defined as American Indian/Alaska Native, Black/African-American, Latina, and/or Native Hawaiian/Pacific Islander.  
 Students of color include URM plus Asian students.
