BARNARD COLLEGE
MULTIPLE YEAR TUITION PREPAYMENT PLAN CONTRACT

AGREEMENT made as of May 10, 2019 between Barnard College ("College") and ________________________ (the “Participant”), residing at ______________________________, concerning the tuition of ________________________ ("Student"), Social Security Number ________________________ , a 1st · 2nd · 3rd year student at Barnard College.

W I T N E S S E T H:

WHEREAS, the Participant and Student wish to stabilize tuition expenses for full-time study at the College, and

WHEREAS, the College is willing to accept payments for students who are enrolled full-time, who have remaining, prior to graduation, not less than four (4) nor more than eight (8) semesters for which tuition is unpaid, commencing with the academic year 2019-2020 ("Qualifying Semesters"), and who are paying full tuition;

NOW THEREFORE, in consideration of the premises and the mutual promises herein contained, the College and the Participant hereby agree as follows:
1. **THE PLAN:** The College will accept payment in full of the Student’s tuition for the remaining Qualifying Semesters until graduation at the College’s tuition rate for the academic year 2019-2020.

2. **THE STUDENT** has [Check one] □ 4 □ 5 □ 6 □ 7 □ 8 Qualifying Semesters remaining in the College, commencing with the ________ (fall or spring) semester of the academic year 2019-2020.

3. **THE COLLEGE’S TUITION RATE** for the academic year 2019-2020 is $27,890.50 per semester (“Current Tuition Rate”). The Prepayment amount must be paid in full on or before August 1, 2019 (“Prepayment Date”). It is understood, and Participant hereby expressly acknowledges, that the Student is not receiving and will not receive financial aid administered by the College for the Qualifying Semesters.

4. **PAYMENT:** On or before the Prepayment Date stated above, the Participant will pay to the College an amount equal to the Current Tuition Rate multiplied by the number of Qualifying Semesters as stated above. This amount, $__________, is the “Total Prepaid Tuition.”

   The College will accept timely payment of the Total Prepaid Tuition as payment in full of the Student’s tuition for the Qualifying Semesters.

   Participant’s prepayment covers only the basic tuition charges as set by the College from time to time. All other College fees and charges including, but not limited to, room and board, health insurance, and excess credits as determined by the College, will be payable separately in accordance with College policies as set from time to time.

5. **SPECIAL PROGRAMS:** If the Student participates in a special program (except for joint-degree and other special programs, discussed below) sponsored by the
College which requires off-campus study and for which the College accepts credit toward the degree, the prepaid tuition for the semester(s) involved will be applied against the tuition charged for the special program. Any prepaid tuition in excess of such actual tuition charges will be refunded to the Participant, within sixty (60) days after registration in and payment to the special program, and underpayment of such actual tuition charges will be due from the Participant prior to the Student’s registration in the program.

The College may, from time to time, participate in various joint-degree and other special programs with other institutions. This prepaid tuition agreement may not be used for such joint-degree or other special programs without the prior written approval of the College.

6. **WITHDRAWAL, SUSPENSION, EXPULSION, OR CHANGE OF STATUS:** If the Student withdraws permanently or is suspended or expelled from the College, the prepaid tuition for the semester during which such action occurs will be applied and refunded in accordance with the College’s policies concerning tuition refunds as then in effect. Prepaid tuition for all future Qualifying Semesters will be refunded to the Participant, within sixty (60) days after the Student’s withdrawal, suspension, or expulsion becomes final.

If the Student is enrolled part-time in any Qualifying Semester, the amount of tuition for that semester will not be prorated based on the prepaid tuition amount. In such instances, the tuition for that semester will calculated using the part-time per-credit tuition charges in effect during that semester, and that amount will be charged against the prepaid tuition amount, provided however, that the amount charged for the part-time study will not exceed the prepaid tuition amount for that semester.

7. **LEAVE OF ABSENCE:** A leave of absence taken during the period of the prepayment coverage may not exceed an aggregate of one (1) year or two (2) semesters. If
the leave of absence becomes effective between the end of one semester and the beginning
of another, up to one (1) year’s unused prepayment may be applied to the tuition expense
for the next year’s scheduled enrollment. If the leave of absence is effective during a
semester after which there is a tuition charge (whether or not prorated depending upon the
schedule of proration in effect for that semester) it will be considered that one (1) Qualifying
Semester’s eligibility will have been used to pay for the amount of tuition due at the time the
leave becomes effective. Should the tuition be prorated, any excess credit will be refunded
to the Participant within sixty (60) days of commencement of the approved leave. Students
taking a leave of absence in excess of two (2) semesters will be considered to have
withdrawn from the College, and refunds will be made as indicated for withdrawals.

8. **FUNDS AND REFUNDS:** The total Prepaid Tuition shall belong to the College
exclusively from and after its receipt thereof, without obligation to account to the Participant
for any payment or income earned thereon. Participant’s rights are limited to the right to
receive refunds as provided in this Agreement, without interest. The College shall have the
right to offset any refund due the Participant against any amount then owing the College by
the Student, including without limitation, any other tuition or non-tuition fees and charges
incurred by the Student.

9. **GENERAL.** If any part of the Agreement is held to be invalid under any law, all
other parts of this Agreement shall not be affected. This Agreement shall be governed by
and construed in accordance with the laws of the State of New York, whose courts shall have
exclusive jurisdiction over matters arising from this Agreement.

All understandings and agreements heretofore or simultaneously had between the
parties are merged into this Agreement and are contained herein, and this Agreement fully
and completely expresses the agreement between the parties with respect to the subject
matter hereof.

This Agreement may not be changed, modified or terminated orally, but only by an
instrument in writing, signed by the party against whom any such change, modification or
termination is to be enforced.

The rights and privileges of the College hereunder shall inure to the benefit of its
successors and assigns, and the duties and obligations of the Participant shall bind the heirs,
personal representative, successors and assigns of Participant. The benefits of this
Agreement are not assignable to any student other than the “Student” named herein.

IN WITNESS WHEREOF, the parties hereto have entered into this Agreement as of
the date first above written.
